Mr. Daniel BARAN

Dear Mr. President, the WUKF Executive Committee is very happy to announce you that your application for organizing the WUKF (UWK) World Karate Championship 2019 in Bratislava was provisionally approved by unanimity.

It is quite a good opportunity for your federation to prove your excellent organizational capabilities and strength, we are sure that at Bratislava will be a fantastic championship that will promote your federation and your country as well.

Starting from January we shall start the procedure of inspection and validation of the most important tasks of the championship and the preparations for our most important event 2019, focusing also on the World Congress that will be organized one day before the event.

I look forward for a successful final application approval and please be sure that, knowing your federation power and your strong team of organization, I personally fully support your application.

Best regards,

WUKF President

Prof.Dr. Liviu Crisan
